

Set up a Hong Kong Company

Hong Kong is situated at the southeastern tip of China and at the centre of East Asia, and serves as the gateway to Mainland China.

With world class infrastructure and international lifestyle, Hong Kong has been successfully as an international centre for trade, commerce and finance. Thousands of international enterprises chose to have their office set up in Hong Kong because of its close economic links to the Mainland and being the best and friendly place to open up China market.

Set up

A private company limited by shares is the most usual form of business in Hong Kong. You may:

(i) **Set up a whole new company**

You can specify your preferred company name. The company can be ready for use in about **10** working days later.

(ii) **Purchase a ready-made shelf company**

You can first select a company name from our lists of shelf companies and change to your desired name later on. The company can be put in used **within 1-2** workings days.

Some basic facts:

Company name	Must be unique. In English or both in English and Chinese.
Shareholders	Minimum one (can be a nominee).
Directors	Minimum one (can be a nominee).
Company secretary	Must appoint a company secretary who must be a Hong Kong resident or Hong Kong company.
Registered office	Must have a registered office address in Hong Kong.
Share capital	No restriction on the minimum or maximum share capital. (Though the usual authorized capital is HK\$10,000, you can maintain a minimum HK\$1 as issued and allotted share capital.)
Business tax	Hong Kong profits tax is charged on profits generated in Hong Kong.
Statutory Compliance	A company must observe its statutory obligations under the Companies Ordinance such as file annual returns, specific forms within the prescribed time period, and carry out annual audit.

Our Services

We can set up a new company which could be tailored to meet your need. We also have ready-made shelf companies for you to choose. We carry out name search and prepare all necessary documentation for set up. The following items will be included in your company kit which is imprinted with the company name:

- * Certificate of incorporation and business registration certificate
- * 1 Statutory book : for registers of members, directors and company secretary, transfers of shares, charges and for company minutes
- * 20 copies of Memorandum and Articles of Association
- * 1 company seal
- * 1 company chop
- * 1 share certificate book with un-issued share certificates
- * 1 set of certified documents for opening bank accounts
- * 1 set of copies of documents filed to the Registrar of Companies

Other services: bank account opening; company secretarial service; registered office; nominee director; nominee shareholder; and etc.
